

sandboxsc

the first ai-native builder community at usc

build. break. iterate. █

Sandbox is a student startup incubator and builder community. We give students a space to build real products using AI tools – no prerequisites, no pitch decks, no GPA requirements. Starting at USC. Expanding to more college campuses soon.

our programs

 <p>build nights weekly</p> <p>Open co-working. Ship projects side by side.</p>	 <p>mini sprints bi-weekly</p> <p>Idea to MVP to ship. Repeat.</p>	 <p>ai workshops monthly</p> <p>Vibe coding done right. AI tools, real output.</p>
 <p>community bonding always happening</p> <p>The glue. Socials, hangouts, shared culture.</p>	 <p>guest speakers monthly</p> <p>Founders share stories and answer questions.</p>	 <p>demo days semesterly</p> <p>Members present what they've built.</p>

why sponsor sandbox

 <p>Early Adopters Members actively use AI tools and ship products – they adopt early and stay loyal.</p>
 <p>Brand Visibility Logo on all materials, events, social media, and merch across every campus.</p>
 <p>Talent Pipeline Meet ambitious, AI-literate students before they hit the job market.</p>
 <p>Ground Floor Be part of the first AI-native builder network across college campuses.</p>
